Scene 1
EXT. THE MOUNTAINS OF THE SKY KINGDOM- 6 years before the start- NIGHT

A mountain range is shown. Lightning flashes as rain pours.
Focus is on a Hvitur, flying frantically. Clutching an egg close to his chest.
A shadow rises from behind him.

A large dragon appears on a mountain ledge. Pale gold scales that radiate heat.
Focus on Burn's narowed, black eyes.
Hvitur is flying off in the distance.

Burn's back is to the camera as she flicks her tail.
Two dragons rise behind her and dive into the storm.
A shriek rings out.

BURN:
Bind his mouth.

Hvitur is dropped on the ledge in front of her.
He's breathing, ready to attack.

BURN:
Quickly!

One of the soldiers, grabs smoking hot chains from a pile of smoldering coals.
The chains are thrown around, Hvitur's snout.
A sizzling sound followed by a muffled scream.

BURN:
Too late. You won't be using your freezing-death breath on us, Ice dragon.

SOLDIER 1:
He was holding this, Queen Burn.

Soldier 1 hands her the egg.

BURN:
This is not an IceWing egg. You stole this from the Sky Palace.

Hvitur snarled. Steam rises from his snout.

BURN:
You thought you got away unnoticed, didn't you?
My SkyWing ally is not a fool.
Queen Scarlet knows everything that happens in her kingdom.
Her lookouts reported an IceWing theif.
I decided that finding you might add some violence to my boring visit.

Burn holds up the SkyWing egg.
The red and gold shimmer in the light of the fire.

BURN:
This egg is about to hatch.
Why would my sister send you to steal a SkyWing dragonet?
Blaze hates any dragon younger and prettier than she is.

Burn pauses as she thinks for a bit.

BURN:
Unless...the brightest night is tomorrow.

Burn's tail flicks up. Centimeters away from Hvitur's eyes.

BURN:
You not it Blaze's army, are you?
You're one of those insipid underground peacemongers.

SOLDIER 2:
The Talons of Peace?
You mean they're real?

BURN: A few worms crying over some spilled blood.
Unwrap his chains.
He can't freeze us until his scales cool down.

Burn leans closer as Hvitur's chains are undone.

BURN:
Tell me, ice dragon, do you really believe in that pompous old NightWing's prophecy?

HVITUR:
Haven't enough dragons died for you in this war?
All of Pyrrhia has suffered for the last twelve years.
The prophecy says-

BURN:
Don't care.
I'm not letting a bunch of words or baby dragons decide when I die or who I bow to.
Peace can come when my sisters are dead.
I will be Queen of the SandWings.

HVITUR:
The dragonets are coming, whether you like it or not.

BURN:
Really?

Close in on Burn, rolls the egg from talon to talon

BURN:
So, IceWing.

Is this egg part of your pathetic prophecy?

As Hvitur goes still.
Burn taps on the egg.
Her ear to the egg.

BURN:
Hello? Is there a dragonet of destiny in there, comming to stop the war?

HVITUR:
Leave. It. Alone.

BURN:
Tell me. What would happen if one of the five dragonets never hatched at all?

HVITUR:
No. You wouldn't.

Hvitur's eyes are glued to the egg in Burn's talons.
Burn begins to toss the egg from talon to talon.

BURN:
Then I guess, I'll have to be extra careful.
Whoops.

In an exagerated lunge.
Burn lets the egg slip between her talons, over the side of the cliff.

HVITUR:
NO!

Hvitur dives for the edge of the cliff.
Burns faster and slams her claws onto Hvitur's neck.

BURN:
So much for destiny.

HVITUR:
You're a monster!
We'll never give up!
The dragonets will... will come and stop this war!

Burn leans down, close to Hvitur.

BURN:
Evem if they do. It'll be far too late for you.

Burn rips Hvitur's wings off.
Hvitur shreiks.
Burn then stabs her barbed tail through Hvitor's skull.
Burn tosses Hvitur's body off the cliff.
Echoes of Hvitur's body, colliding with the ground, ring out.

BURN:
Perfect!
That should be the last we hear of that stupid prophecy.
Let's go find something else to kill!

Burn and the two soldiers take off.
Flying into the distance.

Scene 2
EXT. THE BOTTOM OF THE CLIFF- NIGHT

Kestrel crawls over the rocks towards the broken body of Hvitur
Kestrel nudges Hvitur's tail aside and lifts a shard of the SkyWing egg.
Kestrel then slithers back into the caves underneath the cliff.

Scence 3
EXT. THE CAVE TUNNEL- NIGHT

Kestrel's back is to us as she blows a plume of fire.
A voice is heard from the shadows

WEBS(Voice):
I stand with the Talons of Peace
Kestrel? Is that you?

KESTREL:
We await the wings of fire.

Webs comes out into the light

KESTREL:
Not that it'll do us any good now.
Hvitur is dead.

Webs stares at the eggshell

KESTREL:
Broken.

It's over Webs.

WEBS:
It can't be.
Tomorrow is the brightest night.
The three moons will be full for the first time in a century.
The dragonets of the prophecy *have* to hatch tomorrow.

KESTREL:
Well one of them is already dead.
I should have stolen the SkyWing egg myself.
I know the SkyWing kingdom.
They wouldn't have caught me a second time.

Webs scratches his neck with his claw and grimaces.

WEBS:
Asha's dead, too.

KESTREL:
Asha? How?

WEBS:
She was caught in a battle between Blaze's and Blister's forces.
She still got here with the MudWing egg.
She died of her wounds soon after.

KESTREL:
So it's you, me and Dune to raise the little worms.
For a prophecy that can never be fulfilled.
Let's break the cursed eggs and be done with it!
We'll be long gone before the Talons or Peace return for the dragonets.

WEBS:
NO!
Keeping the dragonets alive for the next eight years is more important than anything.
If you don't want to be apart of that-

KESTREL:
All right, enough.
I'm the strongest member of the Talons of Peace.
You need me.
It doesn't matter how I feel about nasty little dragonets.
Although I thought that at least one of them would be a SkyWing.

WEBS:
I'll find us a fifth dragonet.

KESTREL:
There's no way back into the Sky kingdom, brainless.They'll be guarding the hatchery closely now.

WEBS:
Then I'll get an egg somewhere else.
The RainWings don't even count their eggs.
I could take one from the rain forest without anyone noticing.

KESTREL:
Out of all the horrible ideas.
RainWings are wretched creatures.
Nothing like SkyWings.

WEBS:
We have to do something.

The Talons will be coming in eight years to get five dragonets.
The prophecy says five.
We're going to make it come true...
Whatever it takes.

Scene 4
EXT. THE CAVES- DAY

Kestrel lunges at Clay.
Clay dodges.

KESTREL:
FIGHT!

Kestrel slashed her claws towards Clay's face
Clay rolls away

KESTREL:
Come on.
Stop holding back.
Find the killer inside of you and let it out.

CLAY:
I'm trying!
Maybe if we could stop and talk about it-

Kestrel lunges at Clay.

KESTREL:
fEINT TO THE LEFT!
Roll right!
Use your fire!

Clay ducks under Kestrel's wing and rolls to the left.
Kestrel's talons smash Clay to the ground

KESTREL:
Which way was that, useless?
Are all MudWings this stupid?
Or are you just deaf?

Kestrel releases Clay

CLAY:
I don't know about other MudWings.
Obviously.
Perhaps we could try fighting without all the shouting and see-

Kestrel hisses
A jet of fire comes out of her mouth.
Clay ducks and throws his wings over his head.
Clay rolls into a maze of stalagmites.
Fire is blasted through the rocks.

KESTREL:
Coward!

Clay has his wings over his head
Kestrel comes up behind him and stands on his tail

CLAY:
OW!
You said stamping on tails was cheating!

Clay climbs up onto a ledge
He glares at Kestrel from above

KESTREL:
I'm your teacher!
Nothing I do is cheating.
Now get down here and fight like a SkyWing!

CLAY:
Can't I fight one of the others?
I'm much better at that.

KESTREL:
Oh, yes?
Which opponent would you prefer, the stunted SandWing or the lazy RainWing?
Because I'm sure you'll get to chose out on the battlefield.

CLAY:
Glory's not lazy.
She's just not built for fighting, that's all.
Webs says there's bit much to fight about in the rain forest.
RainWing have all the food they want.
They've stayed out of the war so far because none of the rival Queens want RainWings in their armies.

KESTREL:
QUIT YAMMERING AND GET DOWN HERE!

Kestrel stands on her back legs and flares her wings
Clay yelps in alarm, he tries to leap to the nearest stalagmite
Kestrel grabs his tail between her teeth and pulls him out into the open

KESTREL:
Where's the violent little monster I saw when you hatched?
That's the dragon we need for the prophecy.

Close in on Clay

CLAY: (Mutters to self)
Fight back
Get mad
Do something!

Kestrel roars and blasts fire at Clay
Clay gets to the ground as the fire goes over his head.

Kestrel whirls around.
Tsunami is there with a red-gold scale in her mouth
Tsunami glares at Kestrel

TSUNAMI:
Stop picking on Clay.
Or I'll bite you again.

Tsunami's gills pulse
Kestrel sits down and inspects her tail

KESTREL:
Aren't you sweet.
Protecting a dragon who tried to kill you while you were still an egg

Tsunami:
Luckly you big dragons were there to *save* or *lives.*
And we appreciate it, because we get to hear about it *all the time*

Tsunami marches to stand in between Kestrel and Clay

YASSSS CONTINUE

I feel like if someone who knew the series and was a big fan did the script and the CGI was Ok, we could make a movie.

(All the forumers need to meet up in real life in some kind of convention thingy. That would be awesome)

@ Sandwave- YES! We need some kind of convention we could make to meet up. People could pick parts, fairly mind you, and some can edit and whatnot! This is so epic! Maybe at the next WOF convention, we could all try to go, bring cardboard with forum names written on it, and we could exchange numbers and states. My ideas are going to fly out of my brain!

@Arum YES!!!!!!! We could all come together and share drawings and forumfics and models and YES! And us auditioning is a good idea. And we could have a game and if you win you get something like a hatchimal but a dragon comes out!! And we could have lots of book stands and stuffed animals and book sighnings!!! And we could have a costume contest!!!!! And we could figure out where a good place to meet is and hold it there!!!!! Now I'm obsessed with this....

Scene 5
FLASH BACK- THE CAVES- NIGHT

Focus on a cluster of eggs
The MudWing egg cracks.
Young Clay crawls out

Young Clay turns and sees the other unhatched eggs
He goes towards the SeaWing egg and repetitively kicks it

Webs and Kestrel surge forwards and grab Young Clay
Young Clay struggles and tries to break free

Webs and Kestrel are facing us.
They thrown Young Clay into the river

CLAY:
But I don't want to be a violent monster.

KESTREL:
All right.
We're done here, anyways.
I'll mark another failure in your scroll, MudWing.

Kestrel snorts out a flame and sweeps out of the cave
Clay flops down

CLAY:
She's going to be really mean to you in training tomorrow.

TSUNAMI:
Oh No!
I've never seen her be mean before.
It'll be so unexpected and out of character.

CLAY:
Ow!
Don't make me laugh.
I think my ribs are broken.

TSUNAMI:
Dragon bones are almost as hard as diamonds.
You're fine, go jump in the river.

CLAY:
No!
Too cold!
Besides, jump in the river is your solution to everything!

TSUNAMI:
Get in.
You'll feel better!

Scene 6
INT. UNDERGROUND RIVER- DAY

Tsunami grabs Clay's tail and forcefully drags him to the river
Clay claws at the ground trying to get away

CLAY:
I'll feel colder!
Stop it!
Go away!

Clay shrieks as Tsunami dumps him into the river
Clay splashes to the surface
Tsunami is floating beside him
He clumsily walks towards an underwater ledge
Clay sit there

TSUNAMI:
Kestrel will be sorry when I'm Queen of the SeaWings.

CLAY:
I thought that only a queen's daughters or sisters could challenge her for the throne.

TSUNAMI:

Well maybe the SeaWing queen is my mother and I'm a lost princess.
Like in the story: The Missing Princess.
The Princess's family tore apart the ocean looking for her.
Then they welcome her home with open wings and a feast.

CLAY:
I like the ending, the feast and the happy mother and father.
I wonder what my parents are like.

TSUNAMI:
I wonder if any of our parents are still alive.

CLAY:
Do you think they ever miss us?

TSUNAMI:
Definitley.
I bet mine were frantic when Webs stole my egg.
Just like in the story.

CLAY:
And mine tore apart the marshes.

TSUNAMI:
Well the Talons of Peace knew what they were doing.
No one would ever find us down here.

CLAY:
We won't be underground forever.
I mean the Talons of Peace want us to stop this war.
They have to let us out sometime.
Starflight says it's only two more years.
Then we can go home and eat as many cows as we want.

TSUNAMI:
Well, first we save the world.
Then we go home.

CLAY:
Right.

Clay is getting out of the river

TSUNAMI:
Unless.
Unless we leave sooner

Clay turns back towards Tsunami

CLAY:
Leave?
How? On our own?

TSUNAMI:
Why not?
If we can find a way out.
Why should we stay here for another two years?
I'm ready to save the world now, aren't you?

CLAY:
We can't stop the war by ourselves.
We wouldn't know where to start.
